**I. BASIS FOR JURISDICTION**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

## FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

My life was threatened as well as my son grandchild and unborn grandchild in front of my residence my arm<sup>left</sup> was snatched so hard my pocketbook dropped when officer Salvo snatched it his fellow officers grabbed me took my cane started grabbing me roughly in front of my son and he started videoing & taking their pictures of the Harrison P.D. some names are unknown cuffs were put on me so tight my hands were swollen for at least 2 hrs between in front of my building sitting in car where Alexandra Buccia & her partner pushed me in and I explained I was sick and had very serious medical conditions as well as high blood pressure none of them cared. I was never read my Memorandum Rights until Anthony Salvo William Curcio, Kevin Wong, Robert Fargione and then came to Harrison P.D. from around 12 pm they were at my home and until 6 or 7 pm when they reached their station house. I was sick they didn't give me my medications they snatched them away and said I will get them at the precinct. It never happened until this present day they kept it all along

EXhibit D Continuation of incident on  
April 18<sup>th</sup> 2018 to March 10<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup> & 13<sup>th</sup> 2020

with all my personal property that they unjustly, unlawfully & illegally stole out my home, planted a firearm that ~~admittedly~~ <sup>belonged</sup> in my residence all my personal ID's birth certificates, Social Security cards, pictures of members of my family alive and deceased, clothes, coats, 7 to 8 boxes of jewelry of myself, children, grand kids, deceased grandmother/father, cameras, \$10,000 cash federal reserved notes proof of the legal status of this money I was told no one would believe a protest criminal. I almost believed them all from Harrison pd the 26 pct officers named in this complaint all stood aside making threats that myself, son and friend was making them nervous and they kept putting their hands on their gun saying we making them nervous but, I was in cuffs my son was taking pictures and video until this day I still hear them saying mistakes happens and we got away with it. I begged my friend to stay with my son & minors because they were ~~endangering~~ the welfare of minors and didn't care all my property listed on affidavit is very crucial they never documented the majority of my personal / family property. I was told I'll never see it again. I'm fighting for my rights because no one is above the law. The D.A's office ADA Adrian Murphy contacted my housing development

Facts pg. 5

(Continuation)

Management office and told them I was not attending no court appearances no hearsay the truth and I was given an eviction notice on March 4th 2020. Adrian Murphy didn't stop there he then contacted my hospital and violated my Hippa law engaging in conversation with a social worker named Lise Wilson then to together co-conspired discussing my medical conditions without a subpoena and Lise Wilson didn't stop there she had a meeting with other social workers, supervisors, doctors, nurse practitioners to give them a story that ADA Adrian Murphy gave her and he didn't stop there he told her I was dangerous and had a serious case I was charged with a firearm I was not charged with no firearm out of the 4 ppl in my home they placed this alleged weapon on a friend of mine who will always be my friend. This was documented in my medical record by Lise Wilson who took it upon herself along with all of the names above to slander me, defamation of character, libel, Embarrassment, discrimination, racial profiling, ostricized me and have judged me incorrectly. The doctors & everyone yells at me now get out their office stigmatize me making me want to ignore the seriousness of my health until I find another hospital which is totally unfair

and uncalled for. MY Medical has nothing to do with an accusation / Charge I'm fighting therefore Lise Wilson put lies in my medical record stating I been evading court for years because this is what the D.A. Adrian Murphy told her but I only start receiving (medical) letters after surgery Sept. 27, 2019 that really were needed from a knee replacement that got worse after I was kicked and pushed in Harrison PD squad car by Alexandra Bucei her partner and other Harrison PD who was handling me very roughly. My letters were verified by Supervisor MS. Vasquez in front of her supervisor that I haven't been getting letters for years. Therefore that shouldn't and wouldn't have been in my records or me getting sick and in the hospital a day later March <sup>th</sup> 12<sup>th</sup> 2020 if it wasn't for Lise Wilson and Adrian Murphy also my housing wouldn't have been jeopardized where I had to get a medical ride to housing court and see my friend attorney to prove I never evaded housing / court. They all FAILED CARE, CUSTODY & CONTROL and my life could have been in a detrimental state at any given time while being in their care. Hospitals / workers are suppose to help people. Officers are suppose to do their jobs not Rob, steal and plant items on people to make their case stick to send someone innocent to prison. There's no right with them all and +1

## EXHIBIT E

Harrison PD in Westchester County  
 Corruption, Favoritism & Nepotism,  
 dating from 2016 through September 2018  
 & 2019. Please Review on any Google  
 Web Site I will Amend & Bring in  
 articles at a later date. This is  
 not acceptable and When I Inquired  
 about all my property that wasn't  
 listed I was told I'll never see  
 it again They are the law and they  
 get away with everything even killing.  
 This broke my spirit but, I began  
 to reach out to all of who can help  
 me and was given advise I have written  
 to all important parties regarding this  
 issues. Internal affairs came to my  
 home and when I asked to review my  
 notes I kept for myself I was told I  
 Couldn't look at them only Cops are  
 allowed to review their notes. I was then  
 told to pick out pictures and if I couldn't  
 remember their faces write I don't see them.  
 This is not right and I have yet to  
 hear back from internal affairs. Had I  
 been able to review my paperwork I would  
 have picked out all of the 26 pot officers.  
 This statement is true to the best of my knowledge <sup>one</sup> →

Please see attached medical letters all of which started late 2018 maybe but, definitely 2019 through present day 3-16-20 and I'm being threatened if I don't violate my doctor's last letter stating I'm not medically cleared until around May 2020 I will be arrested by this week 3-19-20 by Judge BARRY E. Warhit, He says per my Attorney Samcoe he don't care what's wrong with me ~~I~~ better come he don't care about no health, INJURIES: or Eviction or Doctors.

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

I had to receive medical attention right away at Valhalla Jail on April 18th 2018 and was told I needed to get home to take care of my medical condition, I have been stalked, harassed, threatened, followed continuously, called on my phone getting threats that I'm going to jail Doctors refuses to help me as they did with my pulmonary embolism, I'm going to therapy, and ongoing services because IV. RELIEF they still have me running.

State briefly what money damages or other relief you want the court to order.

I'm suing each individual for \$100,000 and all my personal property belonging to me & my family that was unjustly / unlawfully and illegally taken along with \$10,000 cash federal reserved notes and what's stated on my affidavit of facts please review and see attached. I want the courts to order that the above names attached are not above the law and if they commit a crime they should be held accountable Harrison PD has a history of corruption, favoritism and nepotism they all stick together no matter what entity.
